

## **CSRA SENIORS GOLF ASSOCIATION NEW MEMBER APPLICATION**

The CSRA Seniors Golf Association objective is to promote friendly and fair competition and good fellowship among senior male golfers in the CSRA. In support of that objective, the association schedules eleven golf tournaments from February to December each year at various courses in the CSRA.

Membership is open to all men in the CSRA who have reached the age of fifty-five (55) and reside in the CSRA. The CSRA is defined to be Lexington, Saluda, Barnwell, Aiken, Edgefield, McCormick and Greenwood counties in South Carolina plus Richmond and Columbia counties in Georgia. Note: The bylaws limit the number of members to 250, after which will be a waiting list. Priority will be given to all returning members in good standing who have participated in at least one prior year event. Participation is defined as submitting an entry form for an event (reference Article III section 3 of the bylaws which are located on the CSRA Seniors website).

### **TO PARTICIPATE :**

Complete the New Member Application (next page).

Please enclose a check for \$25 payable to "CSRA Seniors" mailed to CSRA Seniors, PO Box 5272, Aiken SC 29804 . Make sure you select your playing tee box and include your GHIN#. We play a modified Stableford quota system ([www.csraseniorsgolf.org](http://www.csraseniorsgolf.org))

### **\*\*\*Tournament Quota**

***Each participant's tournament quota will be determined using their current Golf Handicap Index Number (GHIN). The integration of GHIN with the World Handicap Index system (effective January 1, 2020) will enable the most equitable determination of tournament quota. Differences in tee boxes will be automatically adjusted by formula using course ratings. We are requesting your GHIN# on the application and expect members to post their actual scores for all rounds played at any course. Tournament winners will have their GHIN postings reviewed to confirm they are up to date and accurate.***

***Anyone without a GHIN # would be advised to get one from your home course. Information on how to obtain a GHIN membership either through a traditional club or on-line can be found here:***

**CHOOSE YOUR TEE BOX**

The **primary** goal of the CSRA Seniors is to promote friendly competition. We will follow USGA guidelines by allowing players to select tees that best suit their abilities. Players should choose the tee box most similar in total distance to one normally used at their home course or courses where they normally play

Please note this tee box will be used for all the year's tournaments. You may not change the tee box during the year.

**Back tees will be targeted between 5600-5800 yds. Forward tees will be targeted between 5000-5200 yds.**
