

**CSRA SENIORS GOLF ASSOCIATION
2022 MEMBERSHIP RENEWAL APPLICATION**

The CSRA Seniors Golf Association objective is to promote friendly and fair competition and good fellowship among senior male golfers in the CSRA. In support of that objective, the association schedules ten golf tournaments from March to December each year at various courses in the CSRA.

Membership is open to all men in the CSRA who have reached the age of fifty-five (55) and reside in the CSRA. The CSRA is defined to be Lexington, Saluda, Barnwell, Aiken, Edgefield, McCormick and Greenwood counties in South Carolina plus Richmond and Columbia counties in Georgia. Note: The bylaws limit the number of members to 250, after which will be a waiting list. Priority will be given to all returning members in good standing who have participated in at least one prior year event. Participation is defined as submitting an entry form for an event (reference Article III section 3 of the bylaws which are located on the CSRA Seniors website). The by-laws also note anyone who has not participated in an previous year's event must apply the following year as a new member.

TO PARTICIPATE :

Fill out the attached form and mail it and a \$10.00 renewal fee to:

*****NOTE TO RETURNING MEMBERS**

Due to infrequency of play from the longer tees, we will continue to have a selection of only two tee boxes, Back and Forward. We will try and set up: Back tees to accommodate a range of 5600 to 5800 yards. For the forward tees a range between 5000 and 5200 yards.

*****Tournament Quota**

Continuing forward, each participant's tournament quota will be determined using their current Golf Handicap Index Number (GHIN). The integration of GHIN with the World Handicap Index system (effective January 1, 2020) will enable the most equitable determination of tournament quota. Differences in tee boxes will be automatically adjusted by formula using course ratings. We are requesting you to verify your GHIN# on the application. Members are expected to keep their GHIN handicap up to date and post their actual scores for all rounds played at any course.

Anyone without a GHIN # would be advised to get one from your home course or online. Information on how to obtain a GHIN membership either through a traditional club or an on-line club can be found here:

HYPERLINK "<https://www.carolinasgolf.org/handicap-index>"<https://www.carolinasgolf.org/handicap-index>.

Anyone wishing to play without a GHIN# will only be eligible for closest to pin prizes but not for flighted point awards.

Our communications are via email and our website: www.csraseniorsgolf.org. Tournament information, instructions, and registration forms as well as any updated information regarding the organization are always posted there.

CHOOSE YOUR TEE BOX

The **primary** goal of the CSRA Seniors is to promote friendly competition. We will follow USGA guidelines by allowing players to select tees that best suit their abilities. Players should choose the tee box most similar in total distance to one normally used at home course or where they normally play

Please note this tee box will be used for all 2022 tournaments. You may not change the tee box during the year.

Back tees will be targeted between 5600-5800 yds. Forward tees will be targeted between 5000-5200 yds.
