

CSRA SENIORS GOLF ASSOCIATION MEMBERSHIP RENEWAL APPLICATION

The CSRA Seniors Golf Association objective is to promote friendly and fair competition and good fellowship among senior male golfers in the CSRA. In support of that objective, the association schedules ten or more golf tournaments from February to December each year at various courses in the CSRA.

Membership is open to all men in the CSRA who have reached the age of fifty-five (55) and reside in the CSRA. The CSRA is defined to be Lexington, Saluda, Barnwell, Aiken, Edgefield, McCormick and Greenwood counties in South Carolina plus Richmond and Columbia counties in Georgia. Note: The bylaws limit the number of members to 250, after which will be a waiting list. Priority will be given to all returning members in good standing who have participated in at least one prior year event. Participation is defined as submitting an entry form for an event (reference Article III section 3 of the bylaws which are located on the CSRA Seniors website). The by-laws also note anyone who has not participated in a previous year's event must apply the following year as a new member.

*****NOTE TO RETURNING MEMBERS**

Please check the tees you are playing from most forward men's tees (aka green) or the next most forward tees (wblack)

*****Tournament Quota**

Continuing forward, each participant's tournament quota will be determined using their current Golf Handicap Index Number (GHIN). The integration of GHIN with the World Handicap Index system (effective January 1, 2020) will enable the most equitable determination of tournament quota. Differences in tee boxes will be automatically adjusted by formula using course ratings. We are requesting you to verify your GHIN# on the application. Members are expected to keep their GHIN handicap up to date and post their actual scores for all rounds played at any course.

Anyone without a GHIN # should get one from your home course or online. Information on how to obtain a GHIN membership either through a traditional club or an on-line club can be found here:

HYPERLINK <https://www.carolinagolf.org/handicap-index>

Anyone wishing to play without a GHIN# will only be eligible for closest to pin prizes but not for flighted point awards.

Our communications are via email and our website: www.csraseniorsgolf.org. Tournament information, instructions, and registration forms as well as any updated information regarding the organization are always posted there.
