

CSRA SENIORS GOLF ASSOCIATION 2024 NEW MEMBERSHIP APPLICATION

The CSRA Seniors Golf Association objective is to promote friendly and fair competition and good fellowship among senior male golfers in the CSRA. In support of that objective, the association schedules golf tournaments from February to December each year at various courses in the CSRA.

Membership is open to all men in the CSRA who have reached the age of fifty-five (55) on or before Dec. 31, 2023, and reside in the CSRA. The CSRA is defined to be Lexington, Saluda, Barnwell, Aiken, Edgefield, McCormick and Greenwood counties in South Carolina plus Richmond and Columbia counties in Georgia. The bylaws limit the number of members to 250, after which will be a waiting list. Returning members in good standing who have participated in at least one event in the 2022 and/or 2023 seasons can apply for renewal at the \$10.00 fee. Participation is defined as submitting an entry form for an event and playing in that event.

TO PARTICIPATE : Fill out the complete attached form and mail it and a \$25.00 registration fee to:
**CSRA SENIORS
PO BOX 215
GRANITEVILLE SC 29829**

NOTE TO RETURNING MEMBERS: Please check the tees you want to play from for the 2024 season.

Tournament Quota: Each participant's tournament quota will be determined using their current handicap index in the GHIN system (Golf Handicap Index Number). Differences in tee boxes will be automatically adjusted by formula using course ratings. Members are expected to keep their GHIN handicap up to date and post their actual scores for all rounds played at any course, including CSRA tournament rounds.

Anyone without a GHIN # should get one from your home course or online. Information on how to obtain a GHIN membership either through a traditional club or an on-line club can be found here:

HYPERLINK: [Remote Support Tools - Carolinas GHIN Support](#)

Anyone wishing to play without a GHIN# will only be eligible for closest to pin prizes, not for flighted point awards.

Our communications are via email and our website: www.csraseniorsgolf.org. Tournament information, instructions, and registration forms as well as any updated information regarding the organization are always posted there.

CHOOSE YOUR TEE BOX

The primary goal of the CSRA Seniors is to promote friendly competition. We will follow USGA guidelines by allowing players to select tees that best suit their abilities. Players should choose the tee box most similar in total distance to one normally used at home course or where they normally play.

Please note this tee box will be used for all season tournaments. You may change the tee box during the year once, with permission from the CSRA Leadership team.

- Forward tees will be targeted between 5000-5400 yds.
- Middle tees will be targeted between 5500-5900 yds.
- Back tees will be over 5900 yds and anticipated to be “White” tees.

Middle and back tee players will compete for the same closest to the pin and flight prizes. Handicap adjustments and quotas will be made based on the actual tee played.
