

CSRA SENIORS GOLF ASSOCIATION

2020 MEMBERSHIP RENEWAL APPLICATION

The CSRA Seniors Golf Association objective is to promote friendly and fair competition and good fellowship among senior male golfers in the CSRA. In support of that objective, the association schedules eleven golf tournaments from February to December each year at various courses in the CSRA.

Membership is open to all men in the CSRA who have reached the age of fifty-five (55) and reside in the CSRA. The CSRA is defined to be Lexington, Saluda, Barnwell, Aiken, Edgefield, McCormick and Greenwood counties in South Carolina plus Richmond and Columbia counties in Georgia. Note: The bylaws limit the number of members to 250, after which will be a waiting list. Priority will be given to all returning members in good standing whom have participated in at least one prior year event. Participation is defined as submitting an entry form for an event (reference Article III section 3 of the bylaws which are located on the CSRA Seniors website). Anyone who has not participated in an event must apply the following year as a new member. Medical Exceptions will be reviewed by the Executive Committee as referenced in bylaws.

TO PARTICIPATE :

Returning Members- Complete the **2020 Membership Renewal Application** marking 2020 tee box selection and GHIN #. Please use the electronic entry form and schedule on the website (www.csraseniorsgolf.org). Return entry form with check for \$10 to CSRA Seniors, PO Box 5272, Aiken SC, 29804.

*****NOTE TO RETURNING MEMBERS**

Due to infrequency of play from the white tees., we will have a selection of two tee boxes, back and forward. We will try and set up courses for the forward tees in a range between 5000 and 5200 yards. Back tees will try to accommodate a range of 5600 to 5800 yards. Please select a tee box for 2020 similar to what you normally use at your home course suitable to your ability to play golf and maintain an appropriate pace of play.

*****Tournament Quota**

Going forward, each participant's tournament quota will be determined using current Golf Handicap Index Number (GHIN). The integration of GHIN with the World Handicap Index system (effective January 1, 2020) will enable the most equitable determination of tournament quota. Differences in tee boxes will be automatically adjusted by formula using course ratings. We are requesting your GHIN# on the application. Anyone without a GHIN # would be advised to get one from your home course. Information on how to obtain a GHIN membership either through a traditional club or an on-line club can be found here: [HYPERLINK "https://www.carolinagolf.org/handicap-index"https://www.carolinagolf.org/handicap-index.](https://www.carolinagolf.org/handicap-index) Anyone wishing to play without a GHIN# will only be eligible for closest to pin prizes and not for flighted point awards.

CHOOSE YOUR TEE BOX

The **primary** goal of the CSRA Seniors is to promote friendly competition. We will follow USGA guidelines by allowing players to select tees that best suit their abilities. Players should choose the tee box most similar in total distance to one normally used at home course.

Please note this tee box will be used for all 2020 tournaments. You may not change the tee box during the year. **Forward tees will be targeted between 5000-5200 yds. Back tees will be targeted between 5600-5800 yds.**
